

Insurance is Everywhere – Including Your Future

Insurance is part of everyday life. It helps to protect the cars we drive, the places we live, the businesses in our communities — and the people who depend on them. But insurance is about more than policies. It's an industry full of career pathways for people with different interests, skills, and goals.

What is Insurance?

Unexpected things happen. A car crash. A storm. A fire. Insurance helps people and businesses protect what matters and recover when something goes wrong.

A Career in Insurance Has You Covered

✓ **Make a Difference**

Help people, families, and businesses when they need it most.

✓ **Plenty of Pathways**

Discover opportunities in business, technology, data, finance, customer service, and more.

✓ **A Place for Your Skills**

Whether you're a problem-solver, a people person, or love numbers, there's a place for what you do well.

✓ **Cutting-Edge Tech**

Use technology, data, and digital tools to solve real-world problems.

There's No Risk With an Insurance Education

Explore Your Options

Ohio colleges and universities offer a variety of ways to explore insurance through courses, certificates, degree programs, specializations, and more.

Build Your Experience

With 250+ insurance companies across Ohio, internship opportunities can be found in nearly every part of the state — and across many different areas of the industry.

Put Your Education to Work

Insurance careers draw on a wide range of skills and interests. Whether you study business, finance, technology, data, communications, or something else, adding insurance knowledge and experience can open even more doors to a rewarding future.

Gamma Iota Sigma, an international professional fraternity for college students interested in insurance-related careers, provides networking and campus engagement opportunities.

Launch Your Future in Insurance.

When you pursue an insurance career in Ohio, you're investing in yourself and taking the first step toward a future with limitless possibilities.
